The rates printed in this notice were calculated using the latest and best information available from the Federal Communications Commission. At the time this notice was prepared, the FCC was still revising its rules for calculating cable television rates. In the event further FCC rules require changes in our rates, we will inform you of those changes in a timely manner. To the extent customers are entitled to any refunds because of changes in the FCC rules, the refunds will be issued automatically as soon as possible.

NEW CHARGES FOR SERVICE

The following price schedule will take effect Sept. 1, 1993. The new rates, plus any automatic adjustments between your present rate and the new prices, will be reflected in the bill produced during the next available billing cycle. All charges are subject to any applicable fees and taxes, including, but not limited to, Franchise, Copyright and Public Access or Local Origination Fees.

The rates printed in this notice were calculated using the latest and best information available from the Federal Communications Commission. At the time this notice was prepared, the FCC was still revising its rules for calculating cable television rates. In the event further FCC rules require changes in our rates, we will inform you of those changes in a timely manner. To the extent customers are entitled to any refunds because of changes in the FCC rules, the refunds will be issued automatically as soon as possible.
